ISSUED BY ST. ANDREW'S COLLEGE ASSOCIATION EXPRESSLY

FOR OLD BOYS, PARENTS AND OTHERS INTERESTED IN THE SCHOOL

AUTHORIZED AS THIRD CLASS MAIL, POST OFFICE DEPARTMENT, OTTAWA. AND FOR PAYMENT OF POSTAGE IN CASH.

AURORA, ONTARIO CANADA

VOL. 18 No. 2

DECEMBER, 1974

#### Association **Annual Meeting**

Held this year in conjunction with the annual meeting of the S.A.C. Foundation on Saturday, October 19, followed by an informal luncheon in the Great Hall and a home football game in the afternoon, seemed to be the formula for a successful turnout as the attendance was the best in years. Having the first draw in the S.A.C. Association Scholarship Lottery probably helped, too!

Foundation Chairman, Chris Wansbrough and Association President George Sara conducted their meetings with dispatch, then Mary Hockin, wife of Headyaster Tom Hockin was called upon to ake the first Lottery draw. An ingenous device for determining the winning numbers was developed by Fred Hiltz of the Physics Dept. The number turned up was for a ticket jointly held by J. H. Millar and M. S. Baker of Toronto. sold by Old Boy Jack Chipman. As of that date the entire 1,000 tickets had not been sold and at press time there are still some available if any readers want to get in the Lottery. Only a few draws have been held so there are plenty of winning numbers yet to be won. Participation in the Lottery is on a basis of \$2 per week payable in advance. Just write or phone Jim Hamilton at the School for details.

Mary Hockin shakes the flask for the third digit that will determine the winning number in the Lottery's first draw. President George Sara prepares to add it to the first two on the blackboard.

#### Council of S.A.C. Association 1974-75

## LADIES' GUILD

WINTER MEETING

Wednesday, February 5th, 1975

KETCHUM AUDITORIUM

SPEAKER: The Honourable Pauline McGibbon

LIEUTENANT GOVERNOR OF ONTARIO

#### OTHER COUNTRIES 11 Bahamas Bermuda Colombia Dominican Rep. Hong Kong Iran 15 Jamaica Libva Mexico Norway Pakistan Peru Taiwan Trinidad U.S.A. Venezuela TOTAL

#### Student Fast

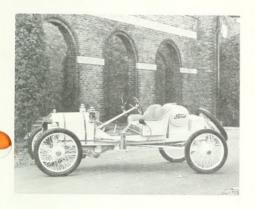

One of the students at St. Andrew's is a Pakistani, Ismail Bana. From Karachi, Bana has witnessed starvation of some of his countrymen at first hand and thus is fully aware of what it really means. To provide a contribution from the student body of S.A.C. to OXFAM, he organized a 24 hour fast in December in which almost the entire school participated, including staff. OXFAM as nearly everybody knows, provides relief to starving native populations in many countries. The fast lasted from after breakfast one day until breakfas the following day. The resulting saving by the School in food costs, aided by some donations was sent in the form of a cheque to OXFAM. Equally important, the fast brought home to everyone what it means to go hungry. A very commendable and humanitarian effort, boys.

#### Craven Foundation chooses S.A.C.

The Craven Foundation, sponsored by Rothman's of Pall Mall Canada Ltd., established to maintain and restore a collection of antique cars, chose St. Andrew's College as the setting for the official photographs of its automobiles last fall. Impressed with the School's distinctive Georgian architecture, the Foundation people felt it provided just the right background to set off the cars.

Pictured here are two of their prizes, a 1913 Model T, which in this version was an early attempt to convert a stock car into a racing car; and a 1930 Ford Model A representing the highly successful conversion from the Model T which had remained virtually unchanged in styling for almost twenty years.

The Craven Foundation maintains a museum at 760 Lawrence Avenue West in Toronto, open seven days a week, and admission is free. Its cars are often shown in special events at shopping centres, on TV and appear in car rallies.

#### **Careers Night**

An S.A.C. Association project the students at the School look forward to is "Careers Night" in the fall and "Careers Day" in the spring. Careers Night was held this year on November 13 at the School. Discussion groups on sixteen different professions and vocations took place, arranged in two series of eight. One series started at 7 p.m. and the other at 9 p.m. so that boys could attend one of each. Students in Grades 11, 12 and 13 were surveyed a month beforehand to determine major areas of interest, then Old Boys or Parents qualified in each particular area were invited to lead the discussions. Groups with the discussion leader included: Broadcasting - Bob Glover '67, CKBB Radio, Barrie; - Bob Glover 67, CKBB Radio, Barrie; Medicine - George Vanderburgh '65, Medical Officer, C.F.B. Borden; Avi-ation - Gordon Craig, Toronto Airways; Architecture - Terry Montgomery '63; Forestry - Alan Beckwith, Ministry of Natural Resources of Ontario; Industrial Design - Bunny Gerrard '62, Gerrard-Heard Ltd.; Dentistry - Dr. Steve Andrews, Aurora; Public Service - Dr. Tom Hockin, Headmaster; Law - Bill Somers '51 and Graham Dutton '54 -Montgomery, Cassells, Mitchell, Somers, Dutton & Winkler; Business Administ-ration - Bob Wall. Trans Canada Pipelines; Accountancy - Ken Woods '68, Peat Marwick Mitchell; Hotel Administration - George Kalmar, Constell-ation Hotel, Toronto; Water Resources -Scott McIver, Ministry of the Environment of Ontario; Advertising - Gordon Reneau - MacLaren Advertising Ltd.; Banking - Dave Sanderson '52, Royal Bank of Canada; Engineering - Ron Cole, Cole, Sherman & Associates, Tor-

The degree of interest and co-operation on the part of those approached to participate was really quite extraordinary - no one declined - and was certainly very encouraging for the Committee The boys left no doubt about their interest with the volley of questions they fired at the discussion leaders.

Next April visits for small groups of Grade 12 and 13 students will be arranged when they will be exposed to the actual working environment.

Lost Graduates

Anyone knowing the whereabouts of any of the Old Boys listed below is asked to communicate information to the Secretary, S.A.C. Association at the ANGUS John

### Advice on How to Pass Your Latin Exam

by the Late Dr. Percy J. Robinson as recalled by Donald Davis '46 -

First find the verb; then one thing more, which conjugation of the four. And then the tense - 'tis one of six; And then the voice securely fix. Person and number next decide, (and let the subject be your guide!) If this is done, you may expect That what you write will be correct.

### EVENTS COMING UP

THURS., JANUARY 30	FORM IV SCIENCE EXHIBITION - McLAUGHLIN HALL	- 7:30 p.m.

SATURDAY,
MAY 10 "MAYFEST" 75th Anniversary
SUNDAY,
MAY 11 Celebration at S.A.C.

#### Soccer

St. Andrew's continues to make a strong showing in soccer which ranks equally with football for participation in the fall term. Actually slightly more boys represented the School on soccer teams than on football teams this year.

The Firsts, after sweeping all before them in I.S.A.A. play last year, had to settle for a co-championship in 1974 with Crescent School and T.C.S. when they lost the last game of the season to create the tie. S.A.C. won 7, tied 1, and lost 2 in league play. They also won a tournament for independent schools and reached the finals of 'B' Division, All-Ontario High School tournament. The season record reads won 11, tied 1, lost 4.

The Seconds and Under 16 teams had mixed results but gave a good account of themselves at all times.

Macdonald Housemaster Ted Harrison's Under 15A team had the best record of all S.A.C. teams. Champions of the I.S.A.A., winning 14 straight games, tieing 0 and losing 0. They also won an Under 15 invitation tournament at Ridley without conceding a goal.

The Under 15B team won 5, lost 1, tied 1
The Under 14 team won 6, lost 1, tied 3
The Under 13 team won 5, lost 2, tied 1
The prominence of soccer in Mac
House is undoubtedly due to Ted's en-

thusiasm and influence.

#### Hockey

Hockey at the School got off to an earlier than usual start this year with some games already played before the Christmas holidays. The Firsts had an exhibition game with Appleby on November 30 which they won 7-4, and another on December 7 with Brampton midget All Stars strengthened for the occasion with some Junior B players which S.A.C. lost 6-3. On December 13 and 14 the First team participated in an individual tournament hosted by Lakefield. This was a very well organized event and included four teams from the Boston area of the U.S., plus Stan-stead from Quebec, Scollard Hall from North Bay, S.A.C. and Lakefield from the I.S.A.A. St. Andrew's finished in third place by defeating St. Sebastiens of Boston 11-6, losing a close semifinal to Thayer Academy 5-4, and winning a one-sided contest from Tabor Academy. Lakefield took the final 6-2 from Thayer.

St. Andrew's organized an Under 15 tournament at Aurora on December 18 with teams coming from Nichols School in Buffalo, Ridley, U.C.C., Appleby, Crescent. U.C.C. and St. Andrew's reached the final with the former winning 5-1.

The Under 13 team took part in still another invitation affair at Appleby in Oakville on December 19 and 20 in which our boys were somewhat outclassed, losing all their games.

#### 50 Years Ago

### First Hockey Team 1925

(Back row) Jack Brown (Mgr.), Harry Watson (Coach), Dr. Macdonald, Ross Miller, Dunbar Falconer, Bruce Burry (?), E. A. Chipman (Athletic Director). (Middle row) Martin Nugent, Ross Paul, Fred Miller, Alex Carrick, Stuffy Mueller, (Front row) Don Mercer, Den Careless, with C.C.M. Trophy.

To quote from the "Review" for that year:-

"The hockey season at St. Andrew's enjoyed a particular eminence this year. Our admiration is first and foremost for the First team. Commencing with a supposedly weak team with three players graduating from last year's Midgets, our hockey prospects seemed rather bleak. Probably the College has never been prouder of its hockey team, probably it never had a better right to be".

This 1925 team, although the youngest in the league, won what was then known as the Prep. School Group of the O.H.A. It went through to the semi finals of the playoffs, only to lose by one goal in the last five seconds of the second overtime period to Aura Lee who went on to win the Junior O.H.A. Championship.

Several of tht St. Andrew's players kept on playing hockey for outstanding teams in the Toronto area such as Parkdale Canoe Club and the National Sea Fleas, and the Canadian Olympic team of 1928 and 1932. Some were even offered contracts to play professional hockey but preferred to remain amateurs and pursue business careers.

Of the members of this fine team three - Mueller, Nugent and Ross Miller - have died, and we have lost track of Mercer.

#### **Cross Country**

Under the leadership of Lewis Pitman of the English Department, cross country running had a resurgence this year. Lewis organized the "Centipede" Club, for which qualification for membership required running 100 miles during the term. Approximately 30 boys maintained reasonably consistent activitive

In an event held at U.C.C. for senior, intermediate and junior age levels for

independent schools, St. Andrew's placed second in the team standings, with Mark Bedard taking first place in the intermediate class.

In the Annual Cross Country Run at the School, Flavelle House won the Upper School Race. Individual results showed Andrew Dalton winning the Senior class (and he's Grade 10!), with Grant Overton second and Mark Bedard third, Clifford Sifton fourth. Michael Sifton took the Junior race, followed by Sid Karalis, Andrew Beckwith and Paul Bedard.

#### Old Boys News (cont.)

'30 W. B. MACDONALD is retired from A. E. Ames & Co. Ltd. but very busy with good causes as Honorary Treasurer of the Canadian Red Cross, a Director of the Ontario Heart Foundation, and a Director of the Metro Toronto Zoo. He is also cochairman with Hon. John Robarts of the Zoo Fund, which is nearing successful conclusion of its \$6,000,000 fund drive.

'33 DR. STUART MACDONALD un-veiled a portrait of his mother, Lucy Maud Montgomery, in Uxbridge, honouring the renowned author's 100th birthday. Dr. Macdonald is an obstetrician on the staff of St. Michael's Hospital in Toronto.

JOHN F. HUGHES has retired but is now busier than ever making custom built furniture and pine reproductions at Fennell's Corners on Highway No. 11 between Bradford and Barrie.

PETER BRADBURY PARKER was appointed a judge of the Provincial Court of Ontario in September and is living in Toronto. For most of the past 18 years Peter, and his family have lived in Yellowknife, N.W.T. practising law, then as magistrate and later Senior Magistrate of N.W.T.

'38 C. W. TISDALL was named Honorary Consultant of the Royal Canadian Academy of the Arts and is also Vice-President of the Canadian

Children's Opera Chorus.

'40 MAC FROST is building a new golf course to be known as Spring Lakes Golf Club on Highway No. 48 at Gormley Sideroad. He hopes to have it open for playing in 1976. MAX B. E. CLARKSON was named Dean of the Faculty of Manage-ment Studies at the University of Toronto. Mr. Clarkson leaves Graphic Controls Corp. in Buffalo to assume his new duties on July 1. He is also a Director of the Shaw Festival at Niagara-on-the-Lake.

'45 COL JOHN M. LOWNDES is the new Commander of the Toronto Militia District. This district is the largest in Canada, consisting of 11 units. Mr. Lowndes is also a partner in the legal firm of Ricketts, Farley,

Lowndes and Jewell.

'47 ROBERT BEATTIE is General Manager of Collingwood Grain Ele-

vators Ltd. '48 J. J. NOLD is leading a busy life as the Director of the Outward Bound Project Centre in Colorado. He is spending an increasing amount of time teaching, training teachers, and consulting with schools, colleges, and correctional institutions. He also runs Executive Renewal Programs for Corporation Offictrs, including an expedition to climb Mt. Kilimanjaro in November.

'50 RICHARD L. READ has been appointed as a registered representative with the firm of T. A. Richardson & Co. Ltd. in Toronto.
'52 ALONSO SOULES and JAIME DE

LA MACORRA '50 piped the Grand March of the Annual Ball of the St. Andrew's Society in Mexico, (for you Spanish experts: La Sociedad de San Andres) for the umteenth vear in a row.

PROF. G. P. E. CLARKSON is conducting advanced management courses at Manchester Business School in England, for top executives of British Companies. His latest course was entitled "Managing Corporate Growth"

'53 JAMES R. YOUNG is Vice-President and Assistant General Manager of the Woolco Division of the F. W. Woolworth Co. Ltd. in Tor-

onto.

'54 REV. E. ARTHUR ROWE has been in Calcutta, India since Sept. 1 sering with the Ecumenical Institute

in that city.

FRED T. LESLIE was appointed Vice-Prresident of Canada Cartage

Systems Ltd., Toronto in January.
56 RICHARD B. NEVITT is presently employed at the Ontario College of Art as Instructor of Drawing and anatomy. He has also done several commissions for the Government of Canada in reporting activities of the Armed Forces in Cyprus (1968) and Halifax (1969).

'59 MARTIN P. CONNELL has become President of Conwest Exploration Company Ltd. after having served as Executive Vice-President since

1970

JOHN A. FERGUSON and '65 ED-WARD R. NELLES held an unusuacocktail party on Car 158, Track 6, Union Station before setting off for a trip to the West Coast last summer John is a realtor with Johnson and Daniel and Ed is a broker with

Wood Gundy.
60 MICHAEL C. WARD joined Famous
Players Ltd. Real Estate Division in January 1974 as a Tax Manager. He will be involved with both the company's theatres and re-development properties in all major Can-

adian cities.

'64 DOUGLAS T. MCPHAIL, since leaving St. Andrew's attended Waterloo Lutheran University; spent 5 years with a major marketing firm; 2 years in investments with Cochran Murray and is now operating an independent life insurance service in Kitchener and Toronto.

'66 LARRY BOLAND is now working with the City of Toronto Planning

Board.

'67 NED LATHROP is also in the Planning business working for the Planning Dept. of the Ottawa-Carleton District. BOB BALL is with Eastway Chrysler Motors in Toronto. If you can't march right on down and get a better deal from Bob - then shame on you, he says. BOB GLOVER is in broadcasting having his own show on CKBB radio in Barrie, Ontario. BILL CHAPMAN is taking the Bar Admission course in Toronto this

vear. '68 LEE SHINKLE and his wife Martha (Hawke) are leading an exciting life on a three month safari in Africa. GEOFF DUNKLEY has spent the last two years with CUSO and is entering medicine at Queen's this

JIM GOOD is now living in Toronto as Regional Director of the Association for the Physically Handicapped.

RICHARD E. WARD as special Assistant to the Minister of Public Works of Canada is to be involved in the Minister's two new portfolios. Public Works and Science and Technology.

'69 GORDON WADDS is now working full time training his own and others' quarter horses. In the Ouarterama horse show this year he won a class.

'70 NORBERT VON DIERGARDT is working at the Hyatt Regency Hotel in Toronto.
CHARLIE EDWARDS is establi-

shing a branch of Loranger Manufacturing Corp. of Warren, Pa. in Toronto

SANDY MUNRO is now a registered representative with Walwyn, Stodgell & Gairdner Ltd., Investment dealers in Toronto.

'72 GRAHAM J. NOBLE has been elelected President of the Junior Philatelic Society of America for a two year term, being the first Canadian President of this Society. JOHN ERRINGTON is the Cap-

tain of the Trent University hockey team for the 1974-75 season.

'73 SANDY AND COLIN HART are still at U. of Victoria and we hear that Colin is known as the fastest blade in the west. He is involved in the St. Michaels University School's Fencing Club. This report comes from Rob Wilson, now on staff there after 2 years in England.

'74 SEAN WHITEHEAD made the Guelph University football team and is working part time as a waiter at a restaurant in Elora. Rumour has it that he is now quite proficient at serving flaming shishkebabs without casualties.

JOHN HAWLEY and his father Dennis Hawley won the Nugent Trophy at York Downs Golf Club in Toronto. The trophy is awarded to the low net score of a team consisting of a junior and senior member. They had a 59! Better stay

clear of the Handicap Committee. men!

**EX-STAFF** HENRY T. HOLDEN retired last June as the Director of Convocation Affairs at Trinity College, University of Toronto.

#### 1974 Graduates

The 1974 Grade 13 class was again large one with 45 members and chalted up quite an impressive scholastic record with 13 achieving the status of Ontario Scholar (over 80%). They were:

T. S. Rutherford H. F. Szarka D. M. Pickard D. G. M. Badger J. C. M. Leung D. R. S. Dawson D. R. Kline R. H. C. Van Der Jagt J. R. Hawley M. E. Throop Raymond Woo J. F. Kitchen
D. J. Featherstonhaugh

Stuart Rutherford led the class with 93.2% closely followed by Frank Szarka with 91.8%. Rutherford was also awarded the Governor General's Medal, the Lieutenant Governor's Silver Medal, the Headmaster's Medal, the Laidlaw Trophy for obtaining the highest number of points for his clan during his years at St. Andrew's, the Macdonald Medal for the student most distinguished in studies and athletics taken together, the Isabelle Cockshut Prize in History, the H. E. Goodman Prize in Chemistry and the Old Boys Medal in Mathematics. Rutherford was also centre on First Football for two years, played goal on First Hockey for three years, and was Cadet Lt. Col. of the Cadet Corps.

#### Marriages

'65 GRANT M. WALLER to Julia Sirkha Ahonen on August 17, 1974 at Toronto.

'67 IAN S. B. KEAY to Marlene Tallman on May 24, 1974 at Vancouver. P. NICHOLAS NATION to Judy Khan in May, 1974 at Calgary. ROBERT D. SOMMERVILLE to Frances Myles on August 31, 1974 in Woodbridge, Ontario.

'68 FREDERIC CHRISTOPHER ROUS to Janine Elizabeth Louise Mac-Gregor on July 27, 1974 in Trinity College Chapel, Toronto.

'72 R. SCOTT JAMESON to Susan Holly on December 19, 1974 at Hamilton.

#### Births

'62 J. TERRY JOYCE, a daughter, Victoria Ann, on August 19, 1974 at Pointe Claire, Que.
'62 MICHAEL SOMMERVILLE, a son,

Barton Campbell, on August 18, 1974 at Hamilton, Bermuda.

'63 RICK D. MACLEOD, a son, Christopher Roderick, on July 29, 1974

at North Bay, Ontario.

'65 HUBERT G. THOM, a son, David Grant, on October 18, 1974 at Scarborough, Ontario.

'67 WILLIAM T. MULOCK, a daughter, on October 10, 1974 in Toronto. G. EDWARD LATHROP, a son, on June 4, 1974.

#### Deaths

'10 CHARLES PAUL MARTIN, on May 26, 1974 in Mexico.
'16 REV. CANON C. GRAY EAKINS,

on January 1, 1975 at Niagara Falls,

'20 FRANK LORIMER SOMERS, on March 29, 1974 at Toronto.
22 HAROLD M. HUNTER, on April

12, 1974 at St. Mary's, Ontario. EDWIN MANSON MILNE, on July 11, 1974 at Burlington, Ontario.

'23 JOHN KENNETH (Red) OWENS, at Toronto on December 18, 1974. DAVID ALASTAIR MURRAY MACLAREN, July, 1974 at Montreal, Que.

'30 JOHN STEELE WRIGHT, on August 24, 1974 at Toronto. WILLIAM A. MOFFATT, on October 17, 1974 at Toronto.

'36 IAN BRUCE MACDONALD, M.D., on November 6, 1974, at Woodside, California.

'43 VAUGHAN FERGUSON WILL-

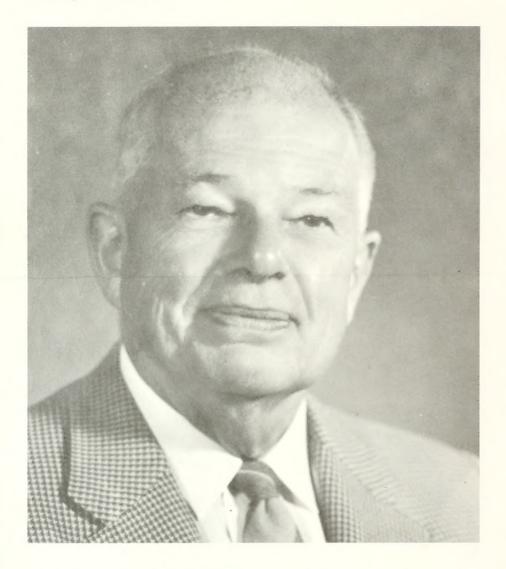

IAMS, on July 24, 1974 at Aurora.

'47 JOHN HERBERT HALL, on October 12, 1974 at Toronto.

'70 IAN WALTER JONES, on Sept-

ember 15, 1974 at Toronto. BRIAN DONALD WILSON, on September 15, 1974 at Toronto.

#### Philip Clarke Garratt

To all of us who have had anything to do with Phil Garratt in his connection with St. Andrew's, it has been a source of very great pleasure and satisfaction to have his interest. Phil attended S.A.C. for only a year and a half, entering in February 1909 and leaving in June 1910, then finishing his high school education at University of Toronto Schools. However he must have retained pleasant memories since he remained loyal to St. Andrew's throughout his life, and had two sons and three grandsons who spent some of their school years there as well.

St. Andrew's is proud to pay tribute to this distinguished Old Boy. Next to his family, the aviation industry came first in his thoughts and actions. Probably more than any other individual in this country, he personified the hopes, the struggles and the amazing successes of the aviation industry in Canada. Starting by winning his wings in the Royal Flying Corps during the First World War, Phil was desperately keen to keep on flying and did so by barnstorming around Canada for a year on his return. Somehow he managed to continue flying but it was difficult to earn a living at it so he started a chemical business. When the de Haviland Company set up a small assembly and repair plant in 1927 he became a volunteer test pilot.

In 1936 he was offered management of de Haviland's Canadian operations so he promptly sold the chemical business to accept it. He remained Managing Director for 30 years. The company grew steadily until in World War II it had 7,200 employees and became famous for building the Mosquito fighter-bomber and other military aircraft. In the post-war period he pioneered the development and manufacture of the Beaver, a bush plane that was eventually sold in 65 different countries. Phil demonstrated his complete faith in the Beaver by continuing to fly one as his personal plane right up to and beyond his retirement. de Haviland was so grateful for his successful management that it was agreed when he retired that the plane (with call letters PCG) would remain available to him as long as he was able to maintain his commercial license, which he did until he was 77 years of

Phil lived to receive many awards, among them Canada's highest aviation award, the McKee Trans Canada Trophy, which he won twice in 1951 and 1956, the McCurdy Medal, the Service Medal of the Order of Canada, the Civic Award of the City of Toronto, and culminating this year in his election to the Canadian Aviation Hall of Fame.

Mr. Garratt was elected Chairman of the St. Andrew's College Foundation when it first became active in 1965 and was still an Honorary Trustee at the time of his death on November 16th

This friendly, good-natured man had a smile for every occasion. He had friends in every part of the world. It is doubtful whether he ever had any enemies.

To his wife, Jessie, his daughter Sally Vernon, his sons John and Philip, and twelve grandchildren, the Andrean adds its expression of sympathy.

#### Ian Bruce MacDonald

M.D., M.S., FRCS, (C), FACS S.A.C. 1929-1936

Dr. Ian Bruce Macdonald, known to his friends as Izzy was one of those Old Boys of St. Andrew's who nurtured throughout his life a high regard for his old school. He devoted a great deal of time and effort, not to mention money, to the affairs of the school as a member of the Council of the Old Boys Association and as a Governor. A powerful influence in persuading Bob Coulter to accept the job as Headmaster in 1958, Ian later played a prominent part in the financial campaign of 1960 to acquire much needed additional facilities at St. Andrew's.

He entered St. Andrew's in 1929 and graduated in 1936, excelling at both studies and sports. Cricket was his favorite game and he played on the School's First XI three years and was captain in his final year. He was also a prefect, member of First Football Captain of the Cadet Corps and Fencing Champion.

Ian went on to the University of Toronto in medicine and obtained his M.D. in 1942. After interning for a year at Toronto General Hospital he joined the RCNVR and served as Surgeon Lieutenant in the North Atlantic and Mediterranean. Returning to civilian life Izzy was chosen to take the coveted Gallie post graduate course in surgery in Toronto where he was regarded as a brilliant student. On the staff of Wellesley Hospital he became Chief Surgeon in 1956.

In 1963 he decided to relinquish active surgery to take up research work with the Palo Alto Medical Research Foundation and moved to California. Later he became Vice President and Medical Director of Diagnostic Data Inc. of Mountain View, California.

Ian was a Governor of St. Andrew's from 1955 until 1963. His three sons, Tim, the late David, and Jamie all attended St. Andrew's. He died peacefully on November 7th, 1974.
